Dear Monica,

I'm writing to thank you for taking the time to speak with our CBC stations across the country. Only someone passionately committed to what they do could have the same engaging conversation 10 times in a row, making each discussion sound fresh and fun.

Your advice on the do's and don'ts of being a good wedding guest was informative and fun. I'm positive our listeners in all Nova Scotia, Saskatchewan, British Columbia, and the Yukon, as well as our listeners in southern Alberta, northern Ontario and Sudbury enjoyed hearing your stories as much as I did.

There are not many people who would willingly give up three hours of a work day to answer the same questions over and over again; I'm sure your enthusiasm and accommodating nature is a great asset in your work.

Many thanks,
